Porting: New Zealand

Country Summary

Country name	New Zealand
ISO code	NZ
Region	Oceania
Dialing code	+64

Guidelines

Portable Numbers	• Geographic (local) numbers (+643, +644, +646, +647, +649) • Toll-free numbers (+64508 or +64800)
Restrictions	• Most of International Phone Numbers have VOICE capability only, no SMS. • Lightwire cannot port New Zealand mobile numbers at this time.
Required Information	• Letter of Authorization (LOA) dated within the last 30 days Applicable regulatory compliance documentation • Copy of the most recent phone bill
Timeframe	Once you submit all required information, up to 2 weeks, depending on the complexity of the port and the time required by the current service provider.
Regulatory Bodies	Local and mobile number portability (LMNP) are both regulated under the Telecommunications Act. Ports are authorized, scheduled, and coordinated via a centralized number portability system called IPMS (Industry Portability Management System). All networks update their own routing information and confirm this information to IPMS.
Other Details	N/A
How to Submit	Email sales@lightwirebusiness.com with the required documentation/information. You can find all the requirements needed here.
